We respect your privacy. This is why we have taken the time to disclose our information collection practices and our privacy policy. Please take the time to review this document.

Why We Collect Information

We collect information for the following purpose(s):

- Completing or supporting an activity
- Website and system administration
- Contacting our visitors (except via telephone) for promotion of the site or products

Who as Access

- Ourselves
- Content Partners

Of the information we do collect, we allow our visitors the following access to the information:

Access is given to other collected information. (For example, users can access things such as their online account preferences).

If you believe that our website has collected incorrect information or if you would like to dispute any information, please contact us using the address at the top of this page.

Privacy Policy

All information you provide will be kept in the utmost of confidence. Tbcglobalnews.com policy is to not share the information you provide with any third-parties, other than to process your membership transaction(s), without your express authorization. All information provided is stored on a highly secure server that is not accessible via the Internet.

Security

Tbcglobalnews.com utilizes 128-bit or 40-bit SSL (Secure Socket Layers) encryption (depending on your browser) which is the most advanced online ordering security system available.

Cookies

tbcglobalnews.com uses cookies to temporarily store data on the user's computer that stores user preferences. Cookies are not used for any other purpose. Cookies are used for the convenience of our users and to save time while on our site. Additionally, if users reject the use of cookies, you will not be able to access some of the content available on tbctoday.com.
